Dear Friend of Washington Youth Baseball:

It is a pleasure to invite you to participate in one of our community's most meaningful and enjoyable fundraising events. On May 10, 2021, Washington Youth Baseball -- and indeed, all of southwestern Pennsylvania, lost a warrior and gained an angel. Parker Muhleman, age 14, a longtime standout WYB player and inspiration to so many from different walks of life, died due to complications of hypoplastic left heart syndrome in UPMC Children's Hospital.

Parker was a student in the ninth grade at Washington High School, where he was on the High Honor Roll, a member of the National Junior Honor Society, and was twice named the Washington School District Student of the month. He was also the recipient of the American Legion Award. He played for WYB and Washington High School Baseball, and was an honorary member of the Washington & Jefferson College baseball team as part of their Team Impact mentor program. He was also an exceptional golfer, having played for Fort Cherry Golf, and participated in the Southwest Pennsylvania Junior Golf Tour.

We renamed our annual WYB Golf Classic in Parker's name in 2021, quickly sold out, raised a record amount of money, and hope to follow suit this year. Proceeds from "The Parker" will benefit his beloved WYB and our efforts to provide a quality experience to more than 600 boys and girls annually, as they learn valuable life skills, develop confidence and make lifelong friends. Because of your support last year, a WYB team in Parker's memory was permanently endowed.

I hope you'll review the golfing and sponsorship materials and consider participating. We also need basket raffle items, silent auction donations, and lots of tee sponsors. Let's do it for Parker!

Thanks in advance for your care and support of the children in our community learning and playing America's Pastime in Parker's memory.

Play Ball!
